

# Teacher Microphone Kit

Model No:  
WL-MIC-WIR-KIT-1-CAR

## Description

The Teacher Microphone Kit is an advanced audio tool for educators, fully compatible with Carina:Building. It ensures crystal-clear audio amplification through Carina classroom speakers. The Teacher Microphone Kit includes the Carina Wireless Microphone with Call Button, 4-Channel Mixer, Wall Panel, and Charging Cradle. The Carina Wireless Microphone with Call Button amplifies your voice and seamlessly integrates with any Carina [IP speaker](#) or [IP Display](#). The 4-channel mixer supports 2 Carina microphones, 2 analog audio inputs, and one Line Out for distance learning. With a convenient RJ45 connector, connect to the Carina speaker or display device with any Cat5e or Cat6 cable. Once connected, the volume button can be pushed to raise or lower the volume. Turn your existing Carina [IP Speaker](#) or [IP Display](#) into a powerful sound system.

## Key Features

- Wireless microphone with call button
- Breakaway Safety Lanyard with Magnetic Clasp
- 4-Channel Mixer for 2 microphones, 2 audio inputs and Line-Out
- Volume up and down controls
- Call Button for initiating or answer calls
- Two 3.5mm auxiliary inputs
- Connect to any Carina IP speaker or IP Display
- Simple 1-Gang enclosure installation for the wall panel
- Rechargeable battery with convenient charging cradle
